Dear Communion of Christ Consciousness (CCC) friend,

You are invited to take part in the **4th Annual Communion of Christ Consciousness (CCC)**. I am so excited about the season we are in. Spirit is living and moving and having its being in, through and as us. Each time we have assembled there has been both a constant flow of revelation and a powerful sense of confirmation. As the light of God that is in each of us joins collectively with other light bearers it produces a powerful atmosphere for true enlightenment to manifest. I anticipate this year's CCC to take us to an even higher place of worship and consciousness.

In this moment, the movement toward deeper revelation and expanded consciousness is growing every day. New bridges are being built and fascinating friendships are being formed on the foundational idea that there is one God and one human family.

Clergymen and laity alike have been gathering once a year, for the past three years, to be a part of this Communion of Christ Consciousness that was conceived to help facilitate an ongoing important conversation around the subjects of Inclusion, Universal Salvation and Spiritual Oneness. Many of us, from an array of different ministries and diverse backgrounds, have desired to have a place to exchange ideas in an open and safe forum without the fear of losing our churches, network connections or organizational coverings – the **COMMUNION of CHRIST CONSCIOUSNESS** (CCC) is designed to connect leaders who want to expand their influence, their networks and their minds. The purpose of this Communion is to allow progressive spiritual leaders, from various streams, to come together to discuss their innermost thoughts and ideas without fear of penalty.

The dates for this year's gathering will be **October 31 – November 3, 2012**. The meetings will be held at Spirit and Truth Sanctuary (formerly Cathedral of the Holy Spirit). We have recently relocated and our new address is 2915 Midway Road, Decatur, Ga., 30030. The goal for this year's CCC will be to equip Inclusive ministers and ministries to not only survive but to thrive in seasons of transition and transformation. We will begin with a corporate worship service on Wednesday night and continue with day sessions on Thursday and Friday. The plenary teachings and discussions will include a variety of topics (from Inclusion to Oneness) and each session will encourage group dialogue and discussion. If you desire licensing, ordination or covering from the CCC let us know in advance so that we may prepare the appropriate documents and make plans for the ceremony. Speakers for this year's CCC will be Reverend David Alexander, Reverend David Ault, Reverend Rowena Silverra, Dr. Harold Lovelace, Reverend Jon Scott, myself and Bishop Carlton Pearson.

On Saturday, November 3rd we will assemble in downtown Atlanta for our 4th Annual Pro-Love March (www.pro-love.org), an initiative designed to bring together white and black, Christian and Muslim, gay and straight, to encourage coexistence and unity. We would also like to extend an invitation to all of you to join us for November 4th for Sunday Worship at 8:30 a.m. or 11:00 a.m.
